

College of Marin Nursing Program 50th Anniversary Gala

Donate an Auction Item & Make a Difference

The College of Marin Registered Nursing Program has been educating entry-level practitioners for roles as providers of care across the health care continuum, as managers of care, and as active members of the nursing profession for 50 years. The goal of the Program is to prepare graduates whose practice demonstrates caring, critical thinking, effective communication, and cultural and clinical competence. The Program strives to educate graduates who can work collaboratively, and are adaptable, politically aware and committed to lifelong learning.

We hope you will join us in celebrating this commitment to the community. Your support of the *50th Anniversary Nursing Program Fund* will provide scholarships and Simulation Laboratory equipment to benefit future nursing students!

To donate an auction item, please use the form on the reverse side of this letter. Thank you!
